

LPR/RPP Guide

LPR = License Plate Recognition
RPP = Residential Parking Program

This is a TOUGHPAD. It is also called the “**MDT**”

Startup Guide

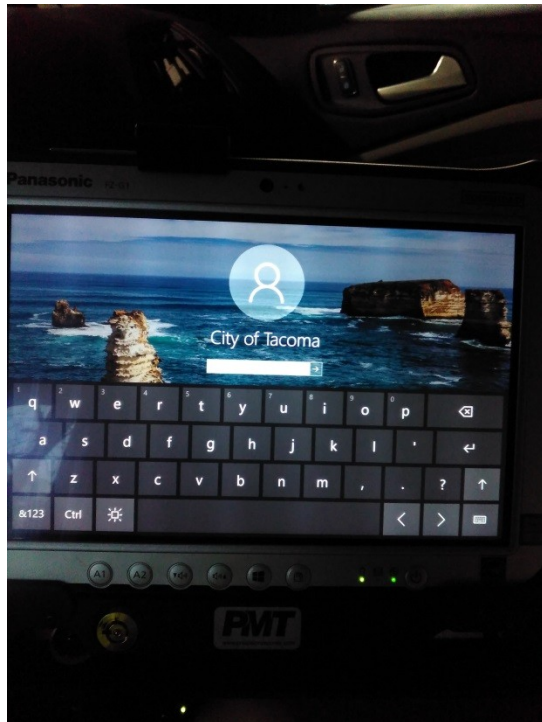

1.) CHECK THE BACK!

Each TOUGHPAD is labeled and is configured to a specific car.

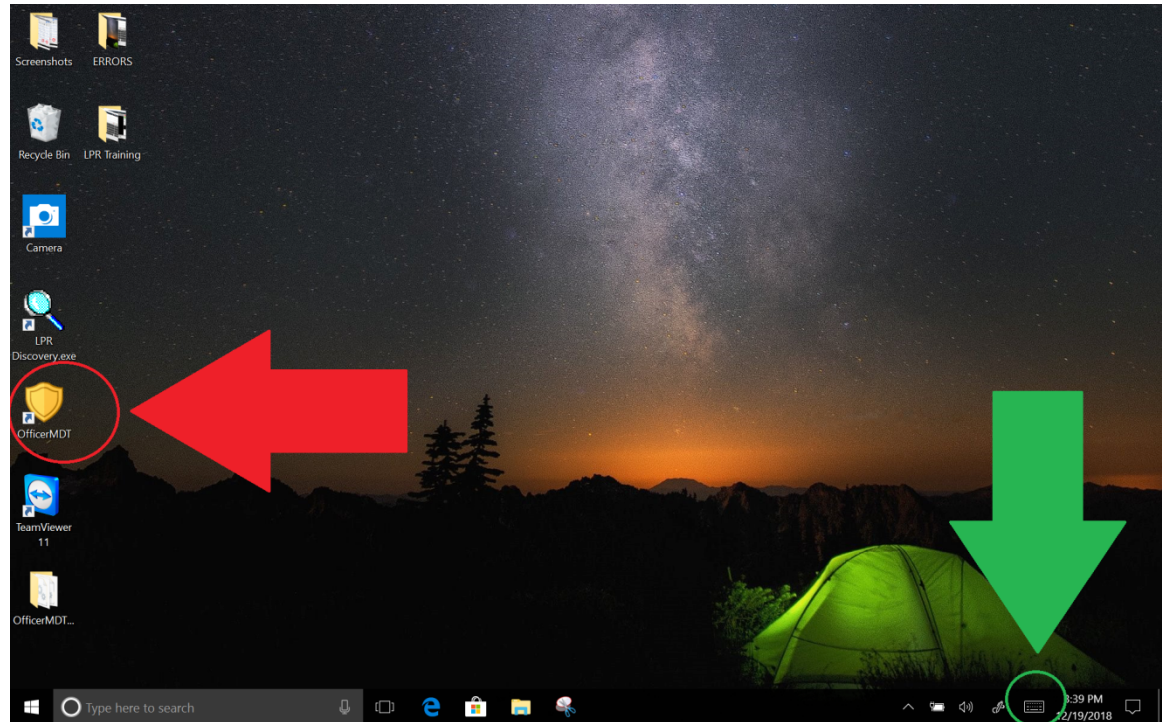

LPR1 is for the C-MAX
LPR2 is for the Escape

2.) Press and hold the power button for approximately 3 seconds to turn on the Toughpad.

3.) Place the Toughpad in the mount and press down on the top to lock the Toughpad into place. You will hear a loud "CLICK"

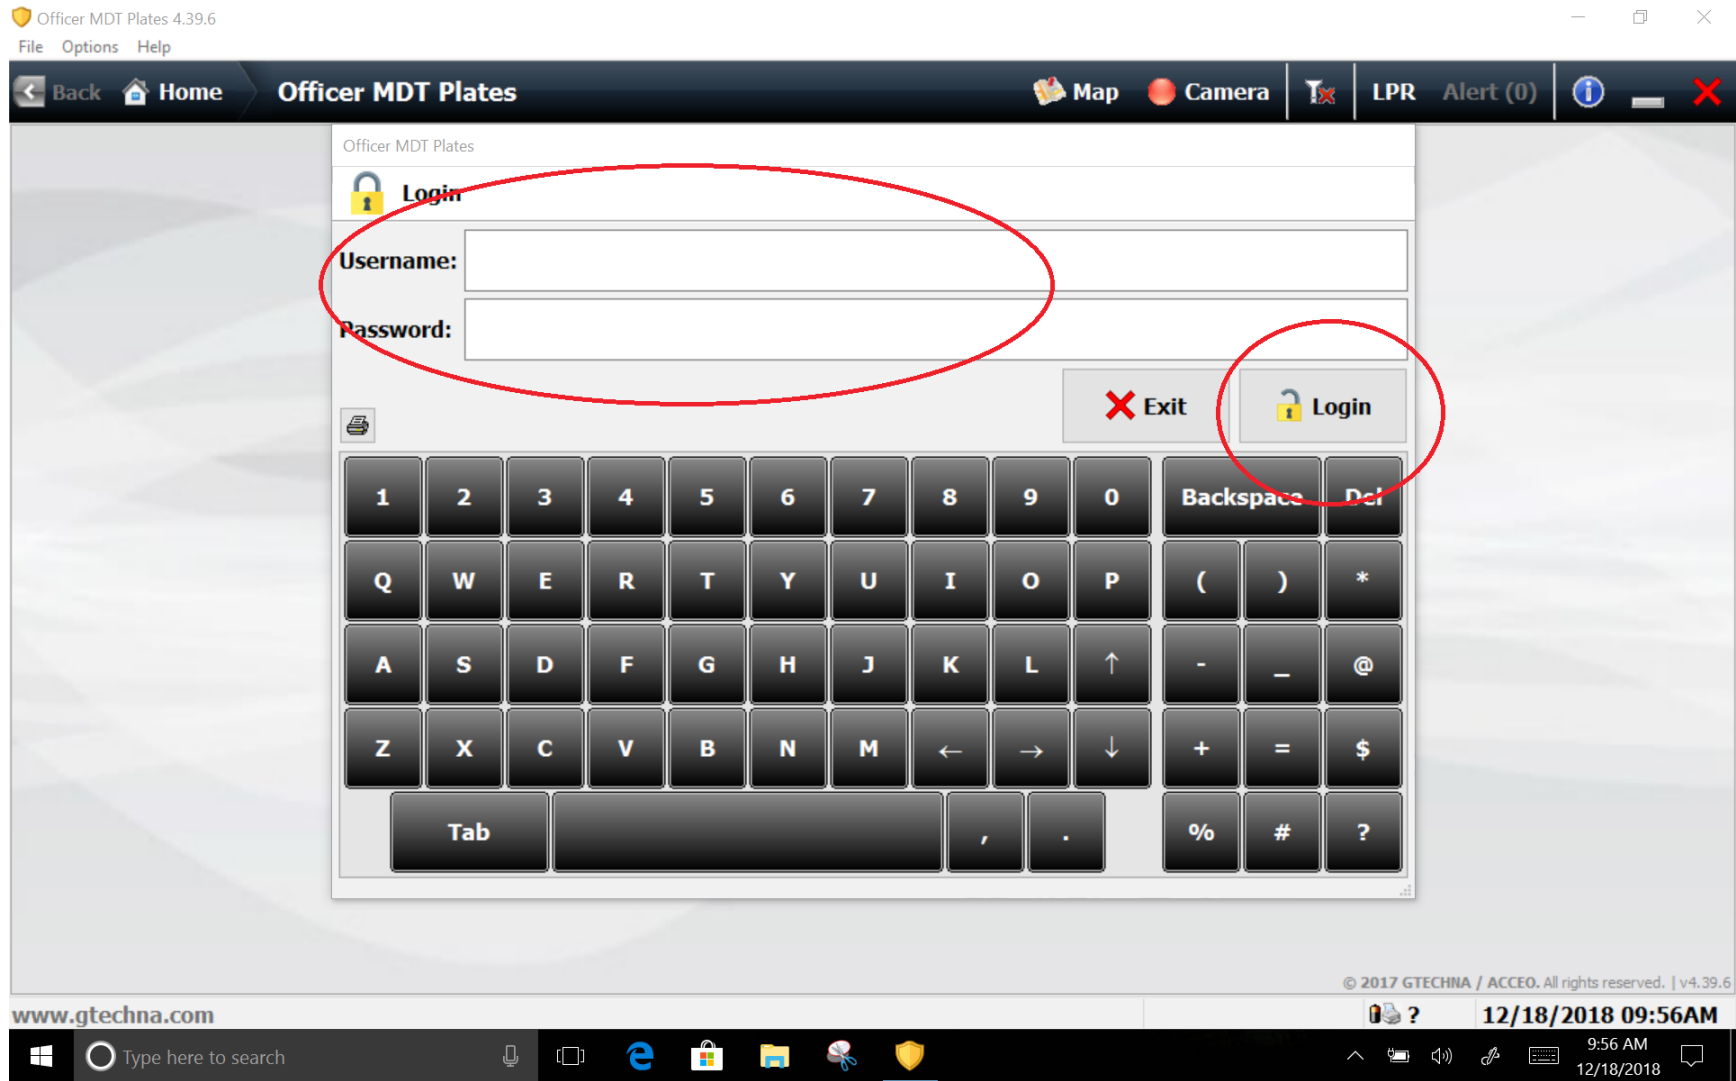

4.) Swipe UP on the screen to display the login information.
The password is: tacoma01

5.) Double click on the OfficerMDT App to launch the program

6.) Click this icon to bring up the "on screen" keyboard if needed.
Or you can use the wireless keyboard

7.) Fill out the Username and Password. This will be the same information used to log into your handheld. *You can log in to both the handheld and the Toughpad at the same time without any issues.*

This takes you to "Timing History" and "Tickets Issued"

You can look at a map to see what you have timed.

Checks to see if the cameras are connected.
Green=ALL 3 connected

MAIN SCREEN

When this is Green, the MDT will automatically switch zones for you while you drive. Click this to turn it OFF - This allows you to manually select a zone.

Green=ON
If this is Red, you will not time the vehicles you are scanning

This is the zone you are currently in.
Click to select a new zone (Turn off Auto Detection)

This is the time limit you are using.
Click to select a new time limit.

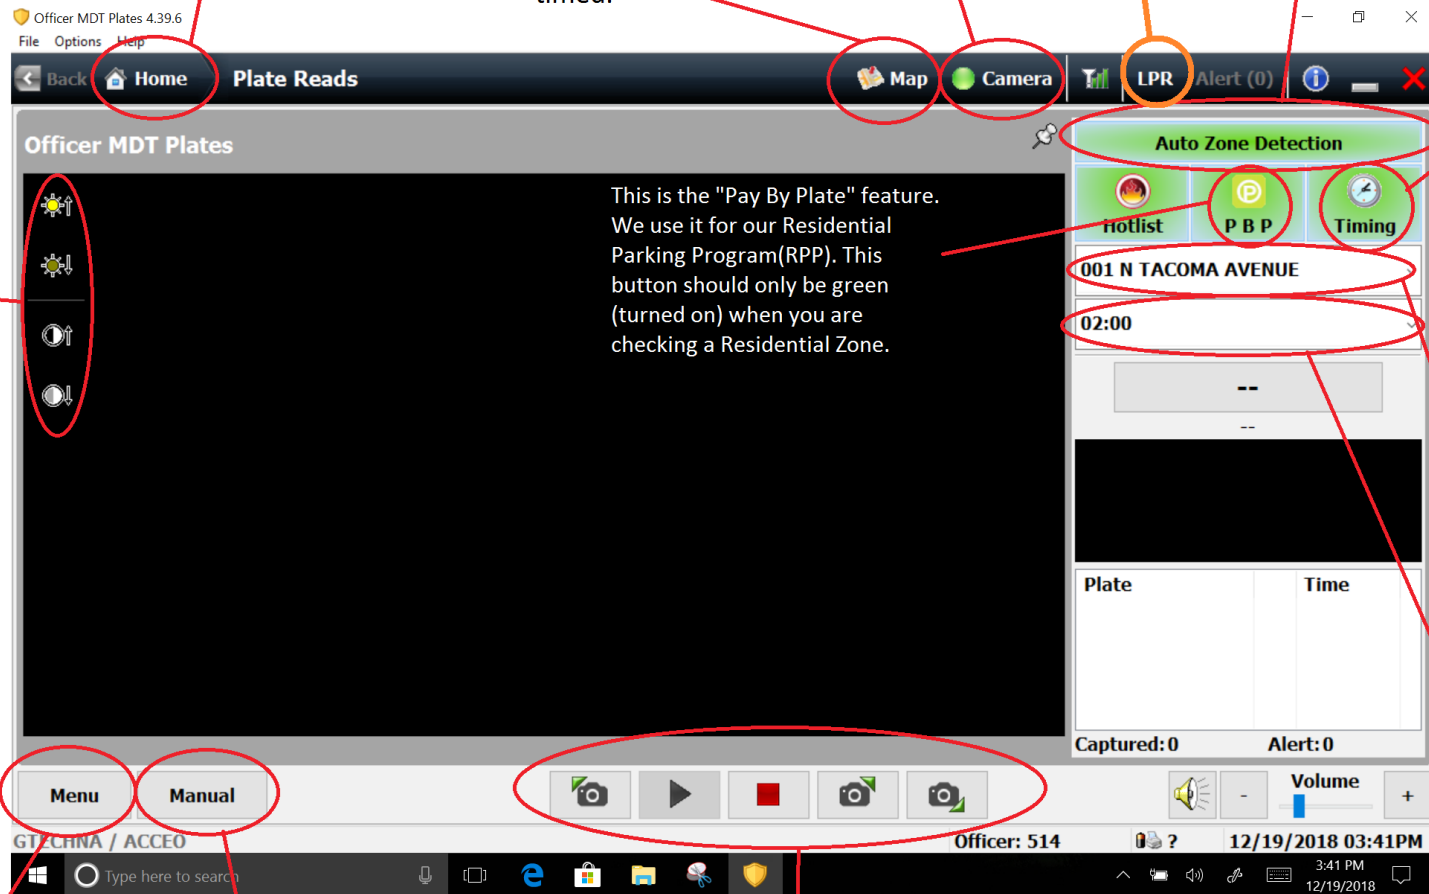

Change brightness or contrast of pictures

This is the "Pay By Plate" feature. We use it for our Residential Parking Program(RPP). This button should only be green (turned on) when you are checking a Residential Zone.

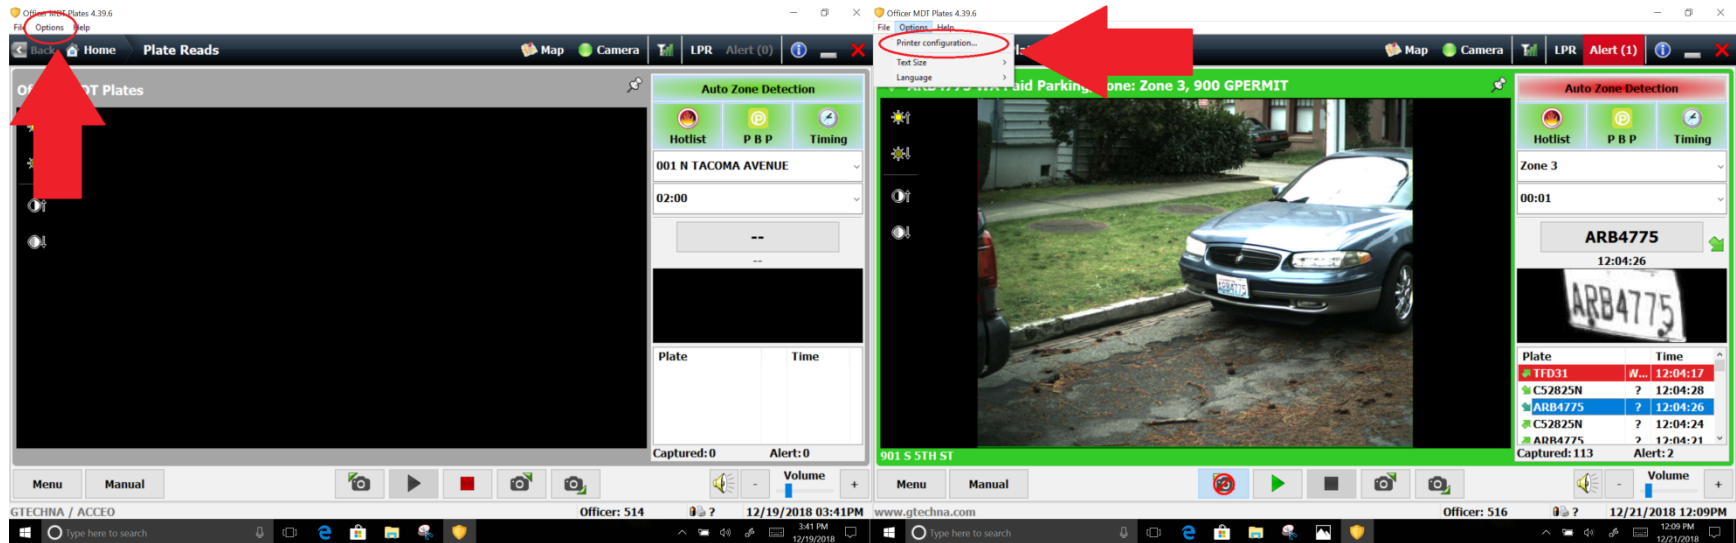

Click to "Search Scanned Plates"

Click to manually enter a plate

Camera Controls

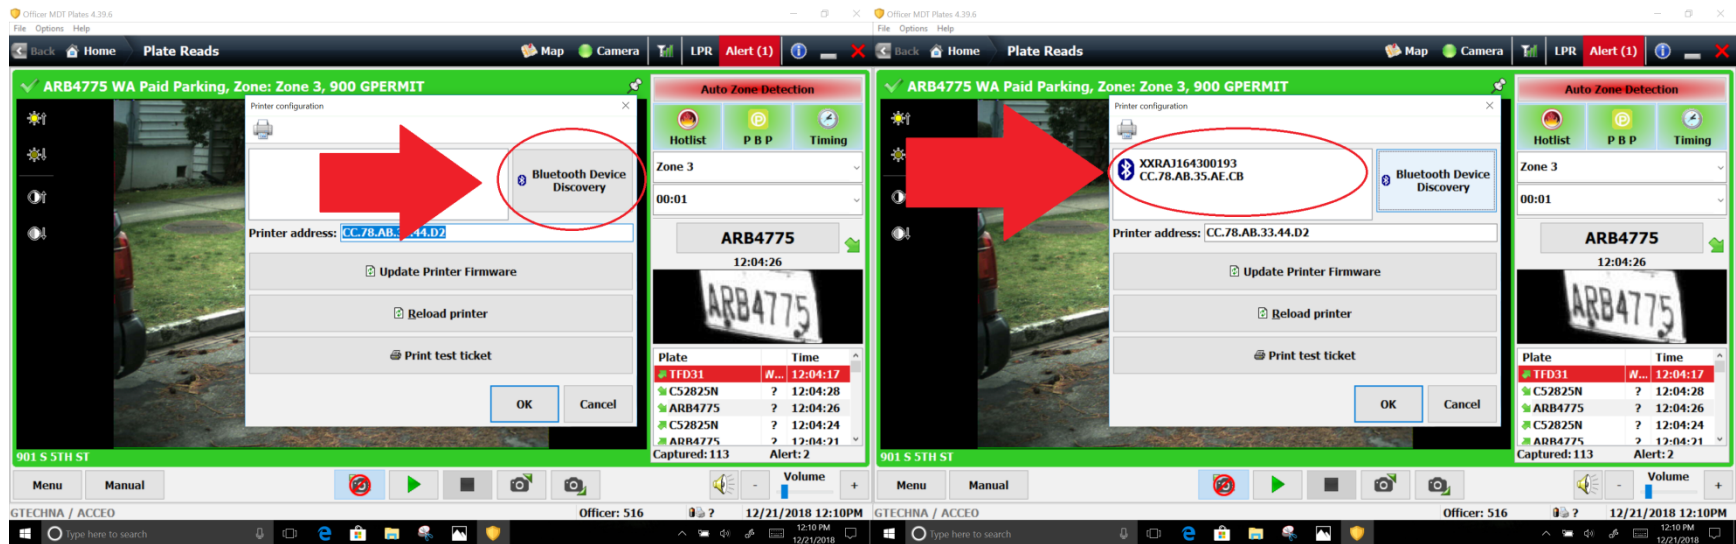

How To Hook Up Your Printer

1.) Click "Options" at the top right corner.

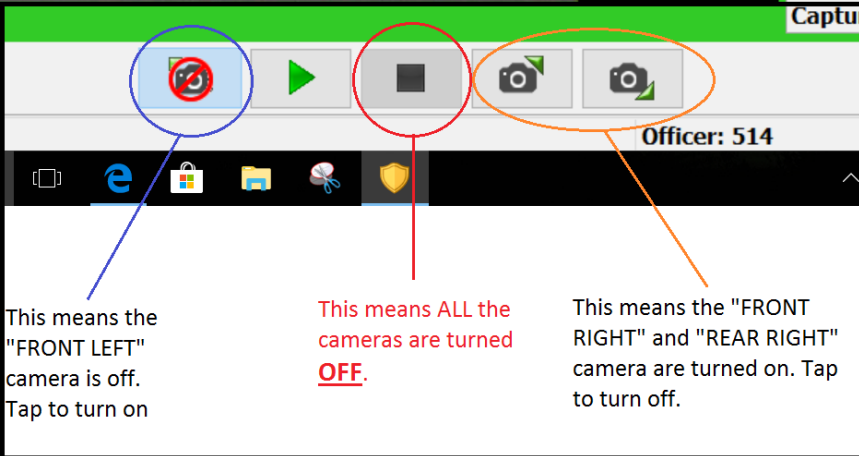

2.) Click "Printer configuration..."

3.) Click on "Bluetooth Device Discovery"

4.) Select your printer when it appears on the screen.
**Your printer serial number is on the bottom of the*

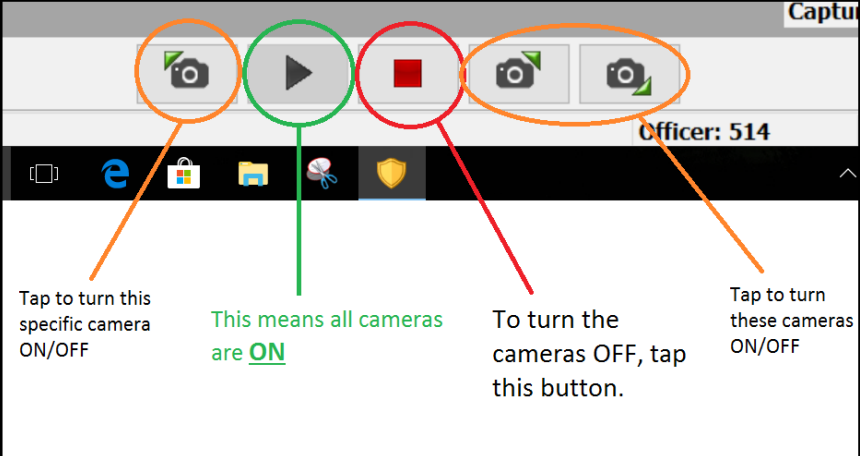

Camera Controls

This means the "FRONT LEFT" camera is off. Tap to turn on

This means ALL the cameras are turned OFF.

This means the "FRONT RIGHT" and "REAR RIGHT" camera are turned on. Tap to turn off.

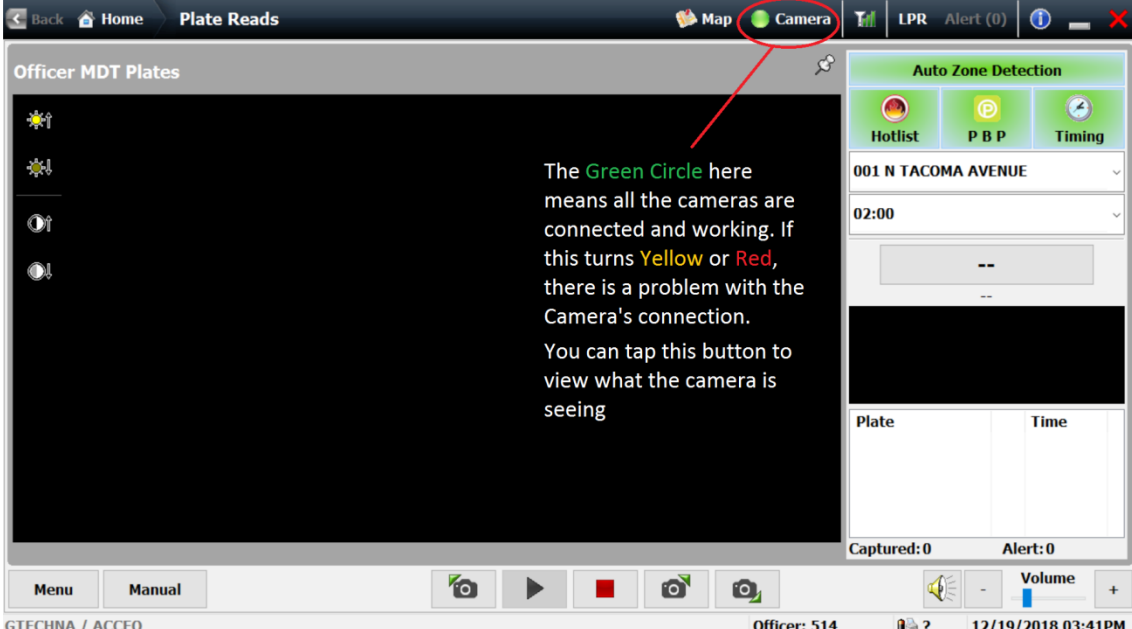

Tap to turn this specific camera ON/OFF

This means all cameras are ON

To turn the cameras OFF, tap this button.

Tap to turn these cameras ON/OFF

Zone and Time Limit Controls

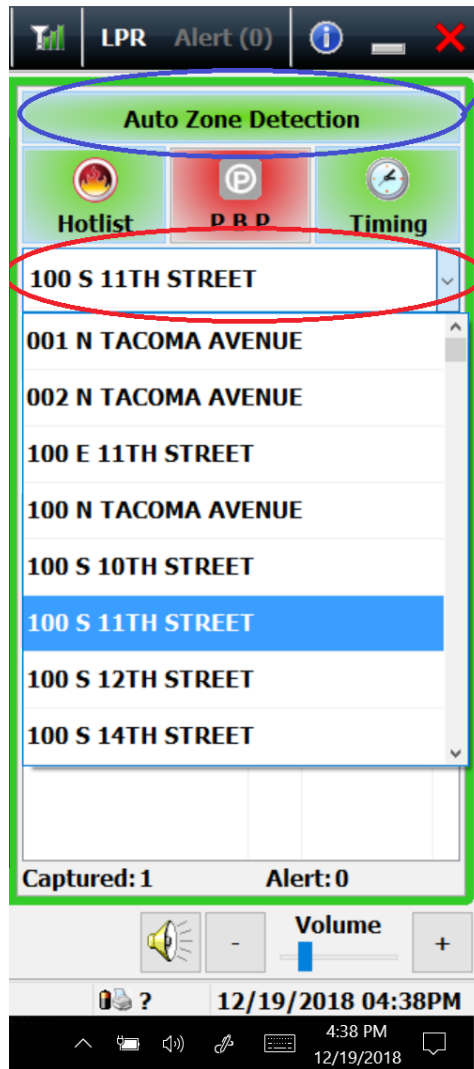

This will only be turned ON (GREEN) when you are in a Residential Zone.

To manually select a time limit, click on this box. Then you can select the time limit you wish to use.

Make sure to regularly check this box. When using the Auto Zone Detection, the time limits have been wrong on occasion.

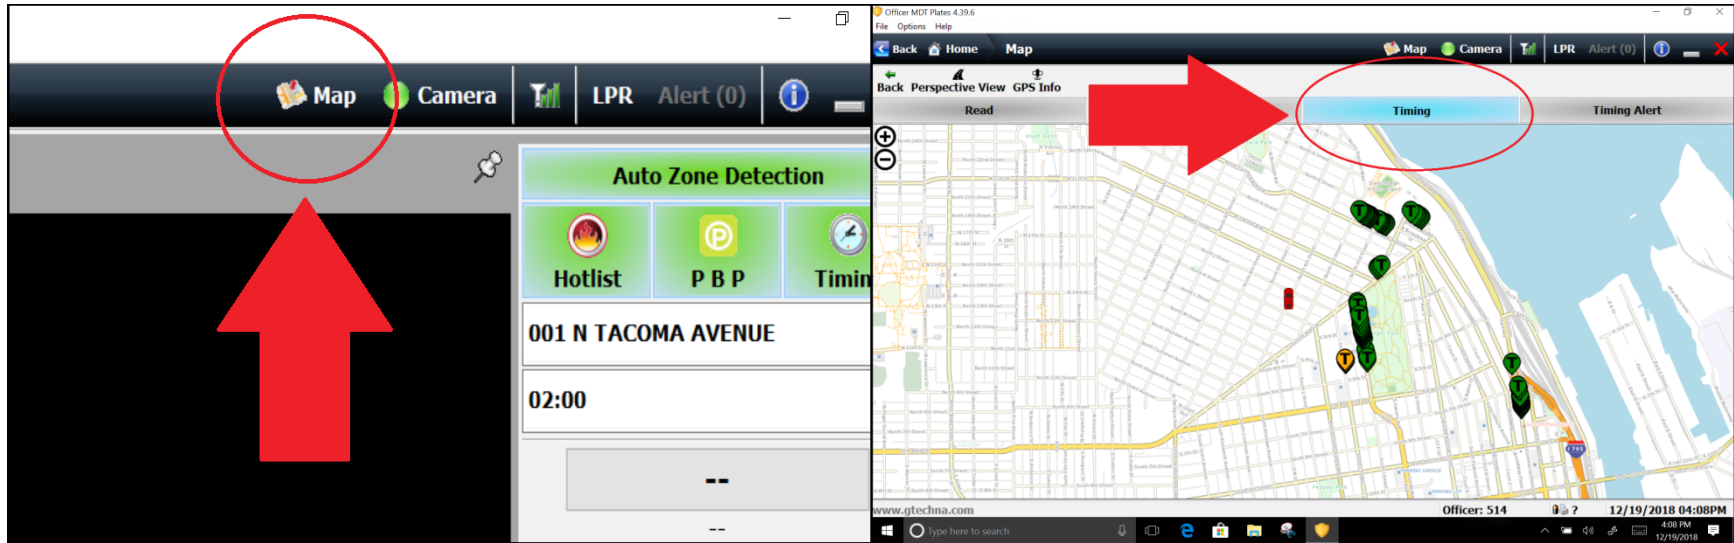

If you want to manually enter your zones, FIRST turn OFF the Auto Zone Detection. It will be RED when it is turned off.

Tapping this box allows you to choose which zone (Blockface) you wish to time.

Use the arrow keys on your wireless keyboard to scroll up and down

How To Use The Map

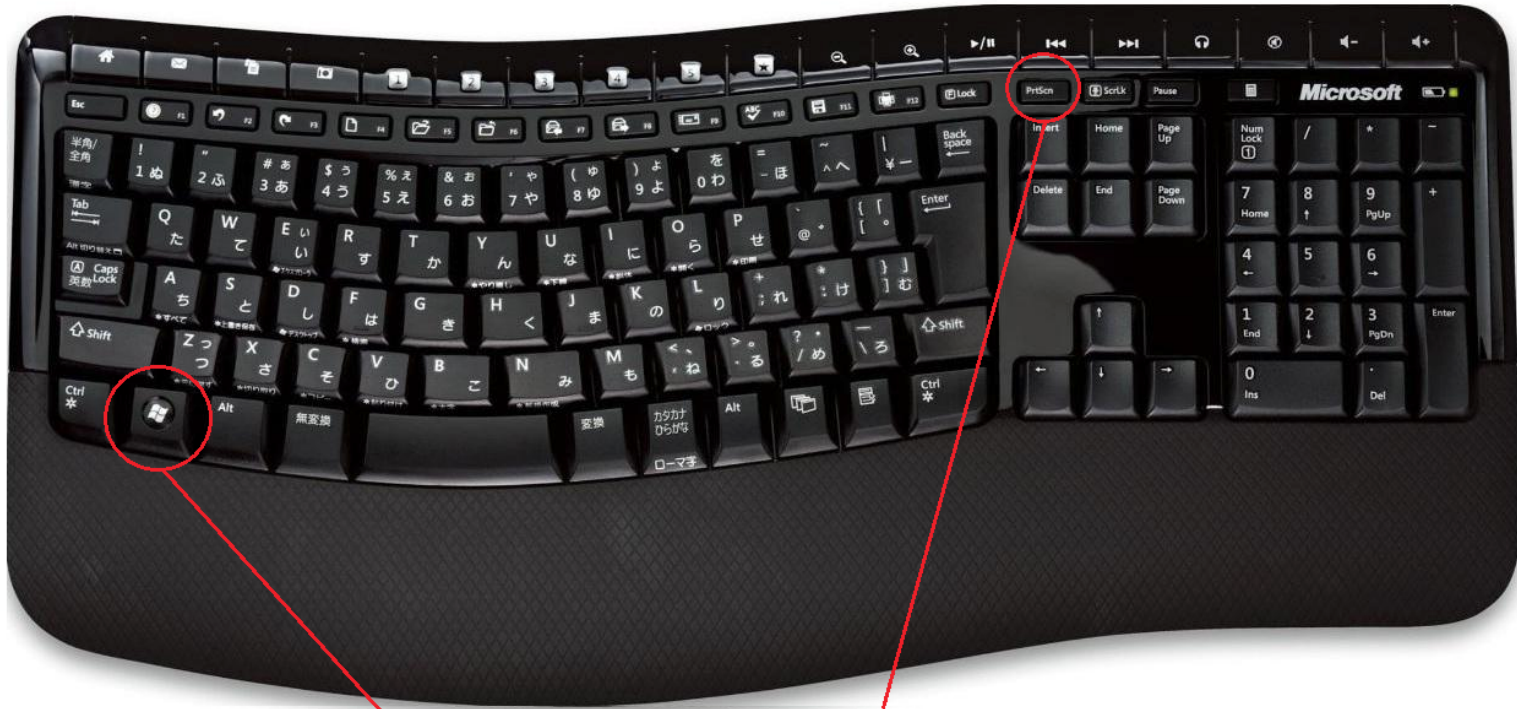

1.) Tap the Map icon at the top of the LPR screen.

2.) Tap the "Timing" tab to display the vehicles you have timed.

3.) Click on one of the Green/Orange icons that you see on the map. Each one is a picture/plate of a vehicle that was timed and information on when it expires.
Green= Not expired
Orange= Time has expired

How To Take A Screenshot

Hold down the "Windows" button and press the "PrtScn" button. This will take a screenshot.

Or you can use the "Snip" tool located on the bottom of the

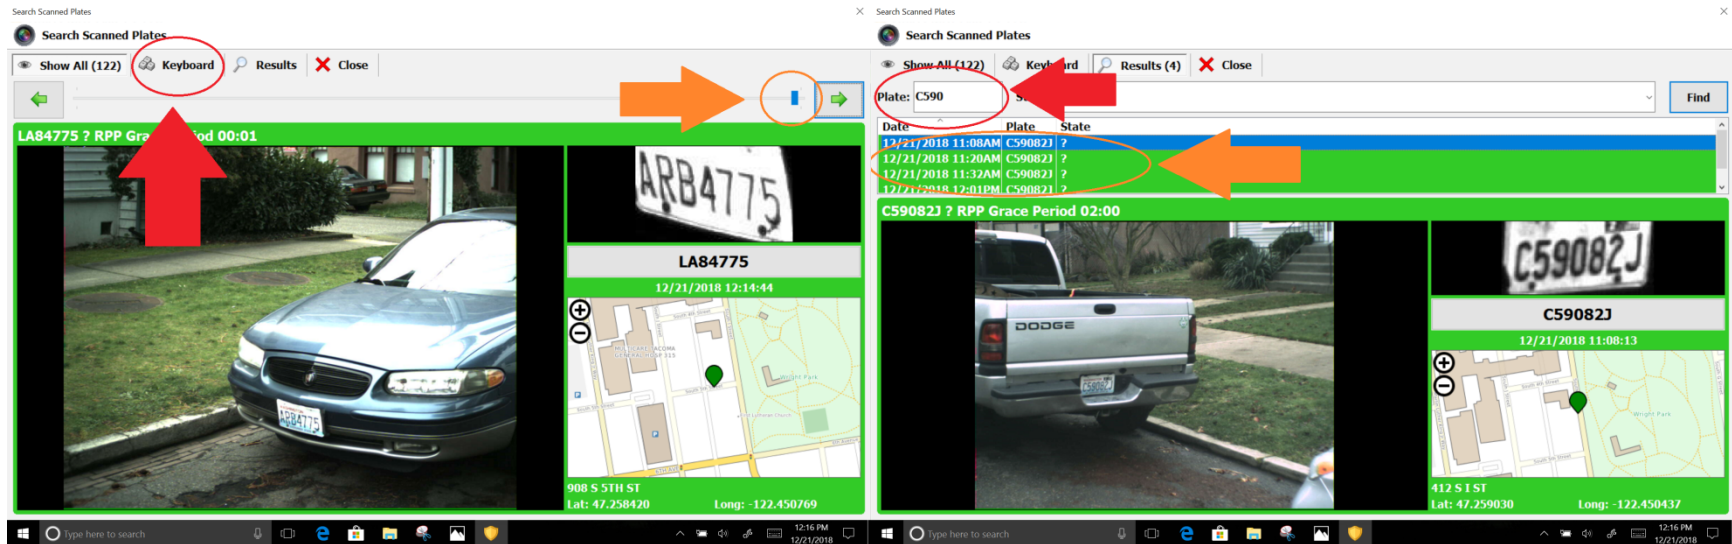

How To Search For Pictures

This is helpful when you need larger pictures to determine if a vehicle has moved.

1.). Click on the "Menu" button at the bottom left of the screen

2.) Click on "Search Scanned Plates"

3.) You can click on the "Keyboard" button (RED ARROW) to search for a specific plate or search by scrolling through the pictures in order by moving the blue marker (ORANGE ARROW).

4.) If you are searching for a specific plate, type in the plate numbers in the box (RED ARROW). The results will be displayed below (ORANGE ARROW) and you can click or use the keyboard arrow keys to compare pictures.

RPP Examples

This is an example of a vehicle that has purchased a residential permit for Zone 3. This vehicle WILL NOT be timed.

This is turned ON (Green) to check for parking permits. This will only be turned on when in a residential zone.

How To Void A Ticket

The screenshot displays the 'Officer MDT Plates 4.39.6' application window. The title bar includes 'File', 'Options', and 'Help' menus. The main menu bar features 'Back', 'Home', and 'Officer MDT Plates' buttons, with the 'Home' button circled in red. To the right of the menu bar are icons for 'Map', 'Camera', 'LPR', and a red 'Alert (1)' button. The central area is titled 'Officer MDT' and contains a 'Parking Ticket' icon. Below this, there are two buttons: 'Timing History' and 'Tickets Issued', with the latter circled in red. A text box on the right side of the 'Tickets Issued' button provides instructions: 'To void a ticket, click the Home button at the top of the page and then click Tickets Issued'. The bottom of the window shows a 'Support' button, a copyright notice '© 2017 GTECHNA / ACCEO. All rights reserved. | v4.39.6', and a status bar with 'www.gtechna.com', 'Officer: 516', a help icon, and the date/time '12/21/2018 12:10PM'. The Windows taskbar at the very bottom shows the search bar and various application icons.
